RE: Docket Number 98P-0151/CP1

Dear Sirs:

The treatment of "downed" animals in our society is quite inhumane. It should be made illegal immediately.

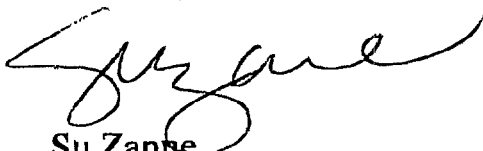

If "downed" animals were not legal to be sold, then perhaps the animals would receive more humane care in the first place, thus preventing "downed" animals.

Downed animals should be humanely euthanized or released to animal welfare societies.

Please do the right thing and banish the sale of downed animals immediately.

Thank you for your prompt attention to this matter.

Sincerely,

Su Zanne
